

Arthritis Ireland Clinic Referral Programme

What is it?

A service that provides a direct route from hospital clinic to Arthritis Ireland, allowing the newly diagnosed and those living with arthritis support along the journey to patient empowerment and effective self-management.

Arthritis Ireland Clinic Referral Programme

What is the Clinic Referral Programme?

- A personally tailored information and support service.
- A direct route to Arthritis Ireland's services.
- An enhanced service, introducing self-management for anyone living with arthritis.

How does it work?

- You provide consent to being referred directly to Arthritis Ireland.
- Arthritis Ireland will arrange a convenient time to talk.
- The conversation can cover but is not limited to:
 - Diagnosis
 - Employment
 - Anxiety
 - Pain
 - Family
 - Fatigue
 - Relationships
- Your medical treatment will continue with your clinic as normal.
- Lifestyle support and self-management information is provided by Arthritis Ireland.
